Introduction to Autumn Prospectus:

We are delighted to welcome you to our Autumn Term Prospectus. We have developed a wide range of educational courses which we hope you will enjoy.

We follow an adult education model and aim to deliver a curriculum which contains recovery focused courses that will improve your wellbeing.

Our courses, where possible, are co-produced and co-delivered by people who have experience of mental health conditions together with partnerships within Cheshire and Wirral Partnership NHS Foundation Trust (CWP) and our local community.

Individual Learning Plans

How do I book onto a workshop?

First you need to enrol with Wirral Education for Wellbeing by filling in our enrolment form, which can be found at the back of this prospectus.

If you're not sure what workshops you would like to go on, ask us to arrange a learning plan.

This is an hour-long one-to-one session with a Pathway Planner, who can discuss what you'd like to achieve and which workshops can help you.

OR

If you already know what workshops you'd like to go on, there is a section on the enrolment form for you to tell us.

You can post or email us your completed enrolment form. Alternatively give us a call and we'll fill in the form with you over the phone.

Some of our workshops are extremely popular and are often fully booked weeks in advance. If this is the case you may be put onto a waiting list.

*My name is **Rachel Millard**. I am the **Participation and Engagement** worker for the **Wirral** locality. I work across Adult Mental Health, Learning Disability and CAMHS services.*

My role as engagement development worker is to engage people in talking about our services and to listen to patients and carers within the service and the wider community. I work collaboratively with service users, families and carers to help the Trust to learn from their lived experience of services and of what helps recovery.

If you would like to know more about getting involved in some exciting opportunities my contact details are:
